“ So sorry to hear of Guy’s passing. Im in Florida and unable to attend his memorial service, but wanted to share my condolences. I always enjoyed the many hours of his company as he worked on my electric and HVAC in the many houses he helped me with. Guy took Tre pride in his work and I never had to worry about him showing up or his work passing inspections. I know he will be missed by all. Prayer for peace and comfort during this difficult time.
