“ *My brother Art and I would like to extend our deepest and most heart felt sympathies to the entire Ratliff family for their loss of Foster. When we think of Foster we have many wonderful memories and warm tinges of emotions of friendship and respect for those wonderful times we were fortunate enough to be in the company of such a genuine, warm, friendly person such as Foster. He certainly will live in our hearts and thoughts. We know you all will miss him. We both regret not being with all of you on this mournful occasion. We can assure you all of the family will be in our thoughts and prayers.*
