“ *Frances Simon was my best friend at St. Sebastian School in Calhoun. I tried to find her when visiting the area several years ago, maybe just before her death. It's a shock to find her obit instead. I have memories of visiting and spending the night with her at her parents' home on the Green River. We swam in the river, and we actually swam across and back. That was very brave of us, and dangerous, probably! So sorry for your loss, and mine, too.*

“ I am so very sorry. My heart hurts for you. My heart is so full of memories of you and Amy and Fran. One of the funniest memories was that Fran and I had twin strollers for you four - boys in one and the girls in the other. Every time we went in a store you and Eli would raise you arms and yell Hi to everyone! Then all of you would fall over laughing. Fran and I got the biggest laughs out of y'all - you filled our hearts with joy.

Fran and I have always shared our thoughts with each other. Fran loved you Cameron, Kim, Kirby, Paige, CJ, and Amy.

We all know that God is holding her - he has a new angel.

Wish I could take the pain away from you and your family. Knowing I cannot do that, I can tell you that you were loved more than words could ever express. Your mother (Fran) was a true friend to me and my heart hurts, but as long as we are alive she will live on because we have all those wonderful memories to hold in our hearts. Always a friend, Awilda (Woo)

Fran was in our Sunday School Class at Forks of Elkhorn Baptist Church. I just found out this morning about her death. I am shocked at her passing. Fran loved the Lord and was very knowledgeable about the Bible. Fran looked forward to being at home with the Lord whom she loved. May her love for the Lord comfort you now and in the future. My deepest sympathy to her loved ones!
