“ *I was sad to hear of your mother's passing. I know she fought hard to beat her illness. When I spoke to her last she seemed happy and had plans to paint her house. She will be watching over you and you will remember all the times you shared. Remember to tell your children the family stories you were told. Your children can then pass them on to their children so they can remember your mother and father.*

“ *We are so sorry for the passing of your mom. She was a sweet lady. I enjoyed her smile as she would wave passing our house leaving or coming back home on the hill. We pray the comfort of God will give you peace in the days to come.*
