“ I first met France in the 1970s while attending east Frankfort Baptist church here in Frankfort I knew right away that Frances was an avid Chicago cubs and Chicago bears fan I also knew right away that Francis was an avid conversationalist also right away I knew that Francis loved Jesus and his church I can honestly say that I never heard Francis hockensmith say a bad word did about anyone not only did Francis love the cubs the bears. And the lord but he loved his family dearly my friend has now gone to a place where his beloved cubs and bears will never lose another game and he will never lose another family member again you can be assured that in the days weeks and months ahead I will be in prayer for the hockensmith family God bless Bruce Wayne
