“ *I worked with Frank at Lynn Imaging. He was such a fine person. Always smiling and asking about your day. I commented one time about a coat he had on and how much I liked it. He brought it to me in 2020 and said it was mine! I was in total amazement he remembered my comment and thought enough of me to do such a kind act.but in my mind, that was "Frank"! I still have it and will cherish his memory. I pray for you, his family and friends, for strength in the days to come as you navigate this life without his presence. It's a great loss.....*
