“ *Emma,*
We were so sorry to hear about Frank. I know that he has suffered so much with illnesses and I hope that you can find peace with the fact that the suffering is no more. We were on vacation during the visitation and funeral time and were unable to be there for you. We will keep you in our prayers.

“ Jeannie,
Our prayers and thoughts have been with you this week and weekend. I wish we could have been able to share this time with you personally, however, due to work schedules we were not able to be there in person. I have always appreciated the man that Frank was and his gentle nature, especially with my parents and family throughout the years. I know God will give you the strength to face to days ahead, because we know this is NOT the end, don't we. I am sure our Phyllis is enjoying his presence right now, and she is probably giving him a hard time! We love you and the family.

“ Frank was a wonderful man and husband. He will be missed very much by all his family and freinds. My prayers are with you Jeannie as you go through this very difficult time in your life. I'll always remember what good neighbors you both were. The memories you have with Frank can help you through this time. Cry a little or cry a lot, whatever it takes to get you through this.
