“ *Fred's brother Norman was my Step-Grandfather. Norman was married to Ersie my Grandmother. But as far as I'm concerned Norman will always be considered my Grandfather to me and I have always considered the Curry's my family. I remember Norman taking me down to his and Fred's parents house (Earl & Lena) when I was growing up. I knew them well. They were always kind to me, and always offered me a soda to drink. It was a big deal to this little guy. The Curry's were all good, hard working, kind folks. I will continue to miss them all. God Bless you Fred. Say hi to Norman for me. I miss him everyday.*
