“ *Randi and Family,
So sorry to hear of the passing of the family Patriarch. I had the pleasure of working for Fred for almost 10 years. We traveled together on business frequently and Fred never passed up the opportunity to give me a refresher course on "Fred's Rules for Success". Fred set the example for commitment and didn't tolerate excuses for failure. He was truly a larger than life persona that never met a stranger and never shrank from a challenge. I don't remember ever thanking him for his military service. Thank you, Fred.*
