“ So sorry to hear that Freddy has passed! We grew up in the same community and went to the same elementary school. His sister Beulah was my best friend in 1st and 2nd grade. Freddy was a sweet, friendly man and always had something nice to say. I pray for peace and comfort for his family as this time of loss and I ask that God will grant them comfort during the next weeks and months ahead. Love to the family! “ When I first met Freddy years ago, I instantly fell in love with him and his family. You could always be guaranteed a smile and laughter. When I got the wood stove set up in the kitchen at the cottongim, I cooked meal. He and Barbra drove down. It was about a 100 degrees in that old kitchen. He said if you can cook it in here I'm gonna eat it in here. I was truly blessed to sit at that table and eat with him. I am so sorry for your loss. I pray God wrap His mighty arms around u and bring you comfort and peace at this time. He was a great man. 🥹❤️🙏
