“ *I am so sorry and incredibly sad. It still doesn't seem real, I so wish it wasn't real. She was so easy to be around, made everyone she met feel special, the best hostess, warm and kind, and just in every way a precious lady. I am so thankful that I got to know her and spend time with her. My heart is broken. I will never forget Gala and I am praying her sweet family.*

“ *My heart sank when I heard the news. Gala treated me like one of her own when we lived near her in Stafford, VA. She leaves behind family and friends that love her very much. I'll pray for Billy and his family that the Lord gives them comfort in his promise of salvation and comfort in knowing they will be reunited one day in glory*
