“ *"I am so sorry I was unable to attend and I wanted so much to do so, but my health is on the decline and has over the last year. I want to say to Darrell, David, Mary Ruth and Shirley I am sorry, because even tho Gardenia was her name people knew and loved, to me she was always the beautiful Rose in the midst of your presence!."*

“*My prayers go out to all my cousins of the Genie Clark family. We had some good times together and I always was fond of Gardenia with her pleasantness, kindness and sincerity. It was very dear and special too me! I'm glad I got to see her recently, not as much as I would have like to, but living out of state and my health on a decline, it made travelling difficult at times but there were times when I felt the need to go to Frankfort and I went when that feeling came upon me! I dearly love all my cousins in Frankfort and wish so much that the distance between us has kept all of us apart for most of our lives. My Dad and his brothers meant so much to him as I'm sure it was the same for the brothers as it was with My Dad. Once again, my prayers will be with all of you and I know your Faith and Strength will come during this time and in the future! Sincerely- Cliff Hughes Clark*

“*I am so very sorry for your loss. I only met Ms. Pulliam at Morning Pointe as she was friends with my step-mother Jane. But I did so much enjoy talking with her at their lunch table. She was always so pleasant. Jane will miss her terribly. I hope your happy memories help to give you strength during this time. Your family are in my prayers.*
