“Garey was a very generous contributor to the Franklin County Humane Society. While I was board president Garey would invite me over to pick up donations. We'd sit and talk on the front porch for a while each time. I enjoyed that so much. Garey was interesting and compassionate. We'd talk about family and shelter pets of course but also about almost anything and I always felt like I learned something from him with every conversation. I'll always remember Garey with fondness.
