“ I worked in the CHR building with Gary almost 20 years ago and became fast friends with him, he was such a likable, easy guy to be friends with. He had a great sense of humor, a warm and friendly smile, and was an interesting person to talk to. To his family - I am very sorry for your loss. He went too young. Even though I hadn't seen him in years, I am very saddened to hear this news and will miss him.

“ Dear Beverly, I, too, have fond memories of Gary as we began our school years together at Hall Street School. I remember when he had his first heart surgery in second grade and he was a good friend to me in third grade. He will be remembered at our next Class of 64 reunion, I assure you. Please know that you and your entire family are in our thoughts and prayers. May God comfort you at this difficult time.

“ *Dear Beverly, though we have never met, I have followed your battles through shared emails from mutual friends. My heart goes out to you. I wish I had words of comfort and wisdom to share with you and the rest of your family, but words fail me. Now it is time to take care of yourself, to heal your own heart. And Gary, RIP my old friend. I will always remember you smiling, and it warms my heart.*

“ Dear Beverly, I have followed Gary's health - progress and setbacks - for the past 5 years. I'm so glad that Gary came to our MHS Class of 1964 Class Reunion in 2004 where I was able to talk with him for a little while. I've never heard a hard word spoken about Gary and have never heard of any unkind action on his part. I'm sure that God has a special place for him in his loving arms. I know that you have nursed him well over the years and that you will miss him greatly. He will be missed by all of us. . . . Shirley Thomas
