“ Gary was a really good guy, he did a few jobs around my parents house a long time ago. I was a little kid at the time and he'd goof around with me a little bit while he worked and always made them laugh. If they were still around i'm sure they'd also hate to hear this. Sorry for the families loss, he will be missed.

I'll never forget that over 30 years ago Gary Mac took me under his care and introduced this rookie how to shoot a bow! He always had time for me and his fellow bow hunters! Our bear hunting trips to Maine was filled with laughter, good food and a lot of bs! A gentile soul that suffered too much ! Louise! I hope you will cherish all your happy memories and please know that Gary mac will be missed by so many friends! May god bless you and keep you wrapped with his loving arms!
