“ So sorry to hear about Gary passing away. I know heaven has welcomed him home. He was a good person. ive known him for several years. and attended Mt Carmel Church with him where he backed me up on the guitar as i sung there. Now he is in the big angel band in heaven playing his golden guitar and singing as he loved to do. He will be missed very much. I wont say good by ole friend just say someday we will meet again in heaven..
