“ *I am so sorry I could not come. I remember all the good times we had growing up on prater creek. It seems like yesterday we would all be playing out back. We have always stayed good friends through all these years. I was truly blessed to have a friend like you. Your family and you mean so much to me.*

I am sending my condolences to your family along with my prayers. I can't comprehend just how sad you must feel For the loss of someone you love. This sorrowful time must still feel unreal And you're looking for strength from above. I hope, from my heart, that your pain will decrease, That your spirit will gain strength again, And I pray that your faith will create inner peace And that God will send blessings--Amen. Till then, if you need me to lighten your load, I'm waiting to come to your aid. Just call on me, and I'll walk down that road, Until the dark times start to fade. Love Virgie and Bill Scalf
