“ *My thoughts are with the family at this difficult time. I have many wonderful memories of Grover and I loved him like my own grandfather. He was a wonderful man and always treated me like family. I remember he liked putting honey roasted peanuts in Big Red soda. He had an infectious smile and laugh and I will always remember the sight of him working on a tractor.*

“ *Bryan,
Just wanted to say that I am so sorry for your loss, not only for you but for all in your family who are suffering this loss...
I know there are no words that I could say to ease your pain, only time will do that. I pray you receive a comfort and peace that only God can give.
My thoughts and prayers are with you all through this dark valley, may you soon see the light on the other side.
God Bless you all!!!*
