“ *My sympathy to Gypsy's family. I will always remember Gypsy coming to the SSS library with her wonderful smile. I am so sorry for the pain the family is going through but knowing we will see Gypsy again in Heaven can give comfort to those who grieve. To Pam, Patricia and Mark I am so sorry you have to go through the loss of Gypsy so young. Love and take care of those two precious little girls and never let them forget their mother who loved them so much.*

“ Dear Family,
I wish to express my deepest sympathy for the loss of Gypsy. Although Gypsy spent a relatively short time on this earth Jesus promised at John 5: 28,29 that there will be a resurrection. May you draw comfort from prayer, friends and Bible texts like this and 1Corinthians 1: 3,4 where God promises to comfort us when we are going through tough times. I hope these few thoughts provide a measure of comfort for your family.
