“ *I would like to express the appreciation I had for Ann. She was someone that had a very positive impact on my life. Ann was my band leader for awhile and I have very fond memories of Frank and Ann being the youth leaders at our church. I want to let the family know that I am praying for them. I know some of the family members and think they are very nice. My parents, Charles & Martha Buffin, will not be able to attend, but want you to know they will be praying for you. I might not be able to come to the funeral, so I wanted to let the family know that I would be praying for them.*
