“ *Condolences to the whole Peavler family. Hanley will be sorely missed by his land neighbors as well as the river neighbors. The first time Adam ever crossed the street by himself was to go see his buddy Hanley!*

“ *Our sympathy goes out to all of Hanley's family. We have known Hanley for a long time. He was such a wonderful and respectful man. Such a tragic this accident had to happen to him. He is going to be missed for all who who knew him. Haven't seen him for a year or so but he was always the same loving person every time he was around. May God Bless and be with his wife and all his family. He is watching over us from Heaven and when we have bad days thinking and missing him always know time spent with him will always be cherished. We will never forget you Hanley. Your life on this earth was just cut too short. Betty*
