“ *This whole family has been such a big part of my life for many,
many years and family ties will never break. Mother and I were
talking last night and she was reminding me of living in Meniffee
County when we were little and that's where we first met you all
through Cordis and Opal. She was telling me about the Amburgey
store there! My thoughts and prayers are with each and every one
of you as you go through yet another loss in life but remember that
heaven just received another angel. I love you all.*
