“ Remembering Sten. Sten was once married to my sister, Judy. I remember Him as a kind, sensitive man that was always willing to help others. I remember how He helped His Mother. He spent the day with me once putting together a computer desk. He loved my homeade coconut cream pie, and banana pudding. I never make them that I don't think of Him. I remember taking Him a whole one when His Mother passed on He said, He would share the other things I brought but NOT the pie!

Sure He had His faults, as WE ALL do. When He and Judy were in the process of divorce He came to visit me and my husband at our home. He said He would always think of us as family. At His request the 3 of us joined hands and prayed before He left that night. I know He loved the LORD. May His family be consoled during this time of loss. May He rest in peace.
