“ Juney and his wife Terry were really great people. Juney was an amazing person, even the first time you met him you knew he was special. I remember one time that my neighbor's grill was on fire and they come to my house for help. My ex was also a fire fighter with Juney. I remember when the trucks rolled up I was never so glad to see anybody in my life. I was standing in the back yard with a garden hose trying to keep the tank cool, had no way to turn it off. Juney comes around the house and tells me what a wonderful job I was doing. I tell him please put this out and of course he had gloves so he went over and cut the tank off. I remember telling him, you couldn't pay me enough to do your job. He said well at least they knew to go get a fire fighters wife to help. I will never forget that. I know Terry and their family will so miss him. But he has touched a lot of people in this county far and wife. Prayers for you Terry and your kids for peace in his passing.

“ I have been in shock since Terry called me about Juney. Terry and I were roommates at Morehead when we met Juney He was so good . Many, many good times were had during our college days. I had the honor of being a maid of honor at their wedding. We have stayed friends for 50 years. It's surreal that he is gone but Juney will never be forgotten by those of us who loved him. Sending my love and heart felt sympathy to his dear wife Terry and their family.

“ I haven't seen Juney in a long time but reading about him tells me he was one special man. In our younger years we played some pick up basketball together—he was one heck of a competitor who never quit.

I send my prayers to the Arnold extended family at this time. Rest in Peace, Juney.

“ *Uncle Juney was a Hero is his me, and the community. I attached the episode of Rescue 911 where he helped saved lives during a tragic accident. His interview was at 1:50 in the video. Me and my brothers continue to watch this and share with friends when we speak of him. He is an example of the best of us.*

Juney was also the coolest uncle that often rode in on a Harley when he visited us - you can't get better than that! - Scott/John/Marc

“ I had the privilege of being a part of Juney’s early life, growing up alongside him in our neighborhood near Rolling Acres. We were part of a close-knit group of friends who spent countless hours talking, laughing, playing games, and simply growing up together. Those memories are full of warmth and joy, and Juney was at the heart of them.

It brings me comfort to know that he went on to accomplish so much in his life, especially building a family who loved him deeply. His warm smile and endlessly positive spirit were truly a gift to everyone who knew him, and they will never be forgotten.

My heartfelt condolences to Juney’s family during this time of sorrow. Please know that his presence touched many lives, and he will be deeply missed by all of us who were lucky enough to know him. Tim Harrod

“ We are deeply saddened to hear about the passing of Juney. We had some great times together at the baseball field back in the day! Just seemed like yesterday. Juney was always upbeat and ready to help with anything. I sure will miss seeing him around town and just talking about days gone by around Frankfort. He was always positive and looked at life with a positive manner. Prayers to his family during these trying times. Juney was one of a kind! Just a great human being. Rest in peace our friend.
