“ We are so sorry for your loss. We loved this wonderful woman. Always looked forward to seeing her at CHR, and when ever we were out shopping and always got a hug from her. So sad we won't be able to see her again.

“ I've known Hattie my whole life and thinking of her will always bring a smile to my face. I'm so thankful I was able to see her this last weekend and share some last laughs with her and other family members. I'll miss her calling me every birthday to say "I love you, honey."
