“ Dear Betty & Peggy & families, Mom and I are so very sorry for your loss, the old saying goes 'nobody loves you like your mother", and the older I get the more I believe it to be true. I wish that we could be there with you, maybe one day I can come up and see you both and spend sometime with you. Aunt Hazel was always so very good to me and to my children as well. I sometimes wonder what my life would have been like if my folks had raised me in Kentucky. I still make biscuits like she showed me, and Heather still talks of the time she spent up there with you all. Please know that our thoughts and prayers are with you and we will be thinking of you all, especially tomorrow and the future days. Come to see us when you can. Much love to everyone, Linda, Verna and family

I loved your Mom dearly, she was a great friend to us all and will be missed. I wish I knew words to comfort at this time but with The Lord's help he will give you the strength you need.
