“ Some of my favorite memories are just sitting in her kitchen eating those chocolate covered orange jelly sticks, moving one magnet on her fridge to see how long it takes for her to notice, taking her to an Elvis impersonator contest, and especially our trip to Graceland. I've missed her so much since I moved away. I hope she knew that.

“ My sweet grandmother. I'm not sure how to live without you but I will do my best to make you proud. This is my first true heartbreak and it is an unbearable pain at times. I love you whole big bunches and more and more bunches! Until we meet again...❤️👉
