“ *Dear Whitson Family,  
Ina and I were saddened to learn of the loss of Hazel. We wanted you to know that even though she worked for our Insurance Agency too short of a time, she was one of the most dependable, caring associates I have ever experienced. Her Christian values blended well with ours, and her love of Jesus was foremost in all her activities. We know that you will miss her, but it is comforting to know that we will meet again some day with our Lord Jesus. God Bless all of you.

“ To the Whitson children:

*I met Hazel when working on the Peaks Mill Schoolbook and she and your dad were a joy to meet. I think some of you were present on one of my visits. Hazel shared a picture of her graduating class for use in the book and was helpful also in identifying others I did not know.*

*I know you will miss her, but she is in good hands as Hazel was a good and kind person to all.*

*Sincerely,*

“ *Dear Whitson Family:  
On behalf of my family here in Ohio we want to send our deepest condolences in the loss of our Aunt Hazel. She was such a blessing to our lives. There is no doubt that she had a personal relationship with Jesus Christ and is with him as we speak. May this truth comfort you and may God give you the help and the hope that only he can provide at this time. Aunt Hazel will always be with us in memories of her and all of the good times that we had with you as well. We are sorry that we could not be there personally. Just know that you are in our prayers and we won't ever forget the impact Aunt Hazel has made on our lives. Thanks again for keeping in touch and sharing your loss with us. May God Bless you in your time of need.*

*Sincerely,
