“ Heather and I met through work and she was my “go to” person. We never actually met in person but, she was my friend. We would talk about all kinds of stuff and she loved her girls and was so proud of them. She will be missed by many. My thought are prayers are with her family, friends, and coworkers.

“ We met many moons ago over the phone and that is what I consider our friendship to be. We never met in person but I looked forward to hearing her voice and speaking with her. I am so sincerely sorry this world has lost her so suddenly and soon. My deepest condolences go out to her daughters, family, friends, and Co workers. My prayers are with all of you. Rest easy, my phone friend (she would have laughed at this).
