“ I have so many wonderful memories of my dear Aunt Helen. She was not only a wonderful mother, wife and grandmother to all of her loved ones, but she was a very special person in my life. Spending time with her during my summers as a child, I will never forget how she treated me like her own daughter and taught me how to cook and sew... and boy could she cook!!!! And that infectious laugh...I can hear it now. Such an creative lady that I wanted to be like in so many ways. She also was so kind and loving to my younger brothers when our own mother was diagnosed with cancer years ago. She took care of them along with everyone else that crossed her path with a loving heart and a giving hand.....never complained about anything. She will be greatly missed. We loved her very much and my condolences to Uncle Charlie, Francis, Charles Reid, Robert and all of Aunt Helen's grandchildren and great grandchild. I love you all and my thoughts and prayers are with you at this very sad time. Love, Tootie

“ My journey has been blessed by knowing you. You treated me like family from the first time we met across the fence. The gate was opened never to be closed again. Your love, your warmth, your laughter will all be missed. I love you, Lady. You leave a big empty spot.

“ I am so sorry to hear about Mrs. Caudill. She was a great lady - so much fun to be around and to talk to. She was always so nice to me. Rob and I were roommates for most of college and I spent lots of time with Rob and his parents driving back and forth between UK and Frankfort on the weekends. There was always plenty of laughter.

My thoughts are with you all - please let me know if there's anything I can do.

“ Helen was a true lady and my family always enjoyed the times spent with her. She will not be forgotten as her virtues will live on in the lives of her children and grandchildren. At this time of year we are reminded that death no longer has its sting for Our Lord was born to take it upon himself instead. We are praying for your comfort and strength to endure during this time of grief.
