“Helen worked with my mom for many years and they were the best of friends and Helen quickly became a very loved friend to our family. I worked with her also for a few years and enjoyed every minute of our time. Helen is what we all should try to be like. I loved her and I know she will be missed by many. Prayers for you Chris.

“I worked with Helen in the Department of Social Services. She was a true professional who always found time to answer your questions and give excellent advice. She always had a smile on her face. May she rest in Peace.
