“ *Julie and Family,
I am so sorry to hear about the loss of your grandmother. She was such a supportive, dear friend to my mom, Ruth James. I have wonderful memories of the two of them. Mom passed away in January. I'd like to think of them having a great time laughing, sharing memories, and drinking coffee together in God's splendid kitchen! My prayers are with you and your family during this time.

“ *Marcey, We want to express our deepest condolences. We remember Helen at Church as such a beautiful and friendly person. We have both lost our mothers so we know how hard her death is for you and your family. We have to be at a wedding in Lex. on Sat. at 11:00 AM so we will not be able to visit with you, John Paul and your family. However, know that our prayers will be with you all.
