“ *I'm so sorry about the passing of my dear friend, I Met Hubert at the Nursing Home where my Grandmother is, they came in at the same time, we have talked many days about his Military Service, his family, all about the old days and about him traveling the world, He was so proud of his service time.....He was shocked when I told him who all my family was here and was shocked to know that my Granny lived out on Pea Ridge and that I knew his family also...I will miss our talks....Peace with you my friend....Paula....*
