“ *Issie was one of a kind. She was my friend. We shared many tears and laughs among the many years we worked at KDE. One thing everyone knew about Issie was she loved her family. My condolences go out to the family and know that you are in my thoughts and prayers.*

“ *Pam and Jenny, I did not know your mother, but she must have been a wonderful woman, based on the two of you! My thoughts and prayers are with you and the rest of your families during this time of loss. It is never easy to say goodbye to those we love, especially our parents, but you have many good memories to keep her close to you always. Love and hugs, Karen Clark Ellis*

“ I will always remember how kind Issie was to me when I began working at the Department of Education. She was a fine person and helped me a lot guiding me in my first government job when I graduated from college. I came to know her daughters Pam and Jenny and her son Phillip. I know she will be missed by her family and friends. Rest in eternal peace Issie. Love to your family always.
