“ *I drive a school bus for Franklin County. Every day I would pass Johnny's house twice . For about 3 years he would be out and wave at us. When he wasn't , I would blow my horn to let him know we missed him. For the last year he hadn't been there. I often wondered about him. I never had the pleasure of meeting him in person , but I considered him my friend. Unfortunately I only found out he passed away today. To late to visit him for the last time. My heart breaks as I write this. Goodbye my friend. I will always miss seeing you.*
