“ Our condolences to all of the family.

We always enjoyed being around Roy, with his dry sense of humor. He really took good care of Vivian all the way through her illness. Best wishes to all.

“ *I was supposed to be the inspector on the jobs that we had together. You taught me so much! You would argue you with me just to get me to read my spec book. I have thought about you often and will continue to do so! You deserve to spend eternity with our father! Enjoy the life hereafter!*

“ *John Roy, you were a true mentor to me and a very dear friend. You taught me a lot when I was your constant pavement inspector and we disagreed. The world lost a truly good man with you.*

Hope your soul is soaring in happiness old friend.
