“ *Dear Sally & Joe*

I always remember Jack as a friend who help a young man from the wrong side of the tracks to look at life with what it could be and not what it was. Jack is and will always be missed by the lives he touched throughout his life. I'm just one in many. Rest in peace, friend.

“ Dear Sally & Family

It was a sad morning that we received the phone call from Bill C letting us know of Jacks Passing.

All of us started out at Second Street in Ms Marys' class. We were five years old. Where does time go?

We considered Jack a life long friend and someone that could be trusted with sensitive matters. He was always fun to be around.

He will be missed.

“ Can't say enough good things about Jack. He was always fun to chit chat and have a beer with but for me he was also a part of the old school attorneys that took time to help raw ignorant young attorneys who were just getting started in the crazy law business. It's not that way anymore. It saddens me that the great ones like Jack are now passing on. I'm just fortunate to have known him and to have learned from him. RIP my man.

I grew up with Jack's younger brother Bobby(R.I.P.) and used Jack for legal issues several times over the years. He was one of the most honest and truthful attorneys around. He will most definitely be missed.

The Franklin County Bar has suffered a great loss by Jack's passing. Practicing a case with Jack was always enjoyable because he was a true old school gentleman lawyer--courteous, friendly, fair and honest. He represented his clients well while being respectful to the Court and civil with opposing counsel. He made it so we could disagree without being disagreeable. I will miss him.--Larry Cleveland

I came home a few years ago and we managed to have a FHS get together that I will cherish the memories forever . Jack came with Sally and he was the same guy that would strike me out in little league but never brag about it . His legacy will be hard to follow . Prayers to Sally and the family .
