“ *When I got the call that you had passed, I immediately hung up and called your number. I couldn't believe you didn't answer. I am so sorry to hear that you left us. You were such an amazing person and one that I looked up to. I wanted you to meet Angela...I have told her a lot about you and I'm sorry I didn't make the time to do that. I thank you for your friendship and you will be deeply missed. You already are.*
