“ *My condolences to Bo and his family on the passing of Eck. He was always a true gentleman and I'm so glad that I got to know him a little bit. He told me once that he remembered my grandfather, Hub Gayle, and that I was a good person like my grandfather. It's those kinds of memories that make growing up in Frankfort so special to me. I'll miss you, Eck! Say hi to Granddaddy for me!*

“ My heart goes out to all the family in this time of grief. I know that Eck was known by so many people in Frankfort, and so many of us will miss him. may the Lord bless you all and comfort you in this time of loss. I will hold my memories of the days when I used to go "downtown" and just have a really good time. He let you know that in "HIS" bar...no one was gonna give you crap....HE took care of his place. He was always good to me and treated me fair...I'm praying for you all.
