“ Dearest Gwen, Janie, Buddy, Dickie and to the rest of your family. Just heard on Russellville radio about your Dad and heard the email address so I could send my deepest sympathies on your loss. Also know about Maxine too. I am so very sorry. I may never see you guys again but please know I do think of you and love you all. Our times in childhood we spent together are a part of me. I remember your parents and can see how they looked back then and that is how they will remain in my memory. I know a lot changed over the years but that does not change my memory. My heart goes out to you. God bless you. Linda
