“ *I work at Bradford Square and since I started working there a couple years ago Mr. Couch and I had a special bond. He was one of my favorites. I pray that the family finds peace and comfort at this time. I know he finally found it himself and I have no doubt he is resting in paradise. God Bless.*

“ *I am so sorry for your loss. I wish that I could be there to comfort my dear friend, Brenda and her family. I had not seen Mr. Couch in several years but had memories of him as being a very kind man. I know that Brenda is going to miss him very much. God bless....*
