“ *You have my profound sympathy on the passing of Bill. I have a habit of saving certain phone messages, and one of them was from Bill asking how Momma was doing in the hospital years ago. Late last week I ran through all of my saved messages and the last one was from Bill. I almost called but didn't. I know Momma appreciated when he would stop by to visit with her when she wasn't getting out as much. On one visit, both he and Jane Ellen came for a visit, which Momma thoroughly enjoyed. Other memories consist of stories Momma shared about Bill and Margaret Ann when they were young. The last time I saw Bill was at Momma's funeral. Bill was a very kind and thoughtful person. You are in my thoughts and prayers at this difficult time.*

“ I thought the world off Bill. He was my manager at Winn Dixie before Chris Long and I helped him set his store up in Waddy. He was always so patient with me while i attended Engineering School at the University of Kentucky. Many nights, coming to work frustrated from the day at school, He would always say “RT, stay with it my friend. It will be worth it “. He was so right. I loved my Winn Dixie days because of Bill. He had such an energetic smile. He was always supportive of my education and would always the schedule around my school days and final exams. I really enjoyed the one on one nights helping bill in the office. I would give anything to go back to those days will Bill. I just really cannot put it into words how i feel about his passing. I would often thing about him and the family when i would be out surveying in Shelby County. I remember the days when “little Brandon” and Missy would come in the store with their mom. Brandon running up the aisles with his cowboy suit on and Missy in her cute dresses. This was over 40 years ago and i remember like it was yesterday. What a true decent, classy, true gentleman he was. I wish i was able to stay in contact with him, but you know how it is. Just busy with family needs and before you know, the time escapes us. I will surely miss Bill. What a wonderful human being and family man he was. Really heart breaking to know of his passing. Rest in peace my wonderful friend. Tears.
