“ *Dear Mrs. Harmon, I was so sorry to hear the news today. My father thought so much of J. T. One of the things that pops up in my head is that J. T. always remembered to bring a sample of country ham when he'd stop by the office! And it was really good country ham! When my father got cancer J. T. was there for support. When my father passed away J. T. was there for support. What a great guy. My sincere sympathy to you and your family. God Bless.*

“ Marcie, So sad to hear about J T, He was one of my favorite persons.

A funny story about J T and his Father During the final stages of J T's Market #1 I got in a fight with J T and Rev. Harmon over the bill for the security system. No, it wasn't that they were dissatisfied or that the bill was too large, they both wanted to pay it and would not take no for an answer! I believe J T ended up paying it and I never had that problem again.

My deepest condolences, Bill
