“ *To - Mrs. Thompson, Jackie Sue (Henry), Eddie (Marcella), Tommy (Marsha), Randy (Judy), all your children and grandchildren and other family members:*

Sorry to be so late but those who know us well know that's par for the course!

We have been thinking of you in your time of sorrow and know that it's always rough. Read all the names in the paper and saw a lot of family members that will miss Mr. Thompson. As you know, that never ends, and still goes on with Howard and me after twenty years or more for some of our loved ones who are gone. But one thing is for sure! Almost every day reminds us of them and they're in our hearts! Know that all of you will take good care of your Mother. We know for a fact that Mr. and Mrs. Thompson turned their "boys into men in the school of hard work" and that "girl" of theirs too! Our thoughts and prayers are with all of you.
