“ *I am so sorry to see this. Forgive the late response-I just found out. I was introduced to Jimmy while I was a Freshman at Georgetown College. My friend knew him from the YMCA. Jimmy was a good friend to me. He was always kind and encouraging to me. He was a blessing to me. I hadn't seen Jimmy in years because I live in another state but I have always had good memories of him. I am truly saddened to hear of his passing at such a young age.*
