“ I was a student of "Mr Smith" during my high school years at Athens High School. I graduated in 1956, and always thought so much of him as a teacher and a good person. He came to one of our reunions which was nice surprise to all.

Condolences to his daughter and extended families.

“ Smitty & Lena were probably my parents' best friends, a friendship that continued for decades, although separated by half a continent. The Smiths and the Shipmans even shared military housing in Deming, New Mexico during WWII and even though the two couples went their separate ways, they regularly kept in touch. The Smiths had Joyce and the Shipmans had me and the two of us have kept in touch just about as long. The friendship between Smitty & Lena and Jack & Mart was a precious thing and the memories kept my mother "warm" through the years. I wish I could be there for you, Joyce, but know that you are always in my thoughts. With love - Sally

“ *Joyce And Family---I'm so sorry about your Fathers passing. I'm proud to say that I've known you and your Mother and Father almost all of my life (starting at East Side School) through school and church. Joyce I guess that there's no better way to say it except "We've all been blessed to know them". Take Care Of Yourself---Jim Williams*
