“ Our deepest condolences go out to the family at this difficult time. I worked with Katie at Blue Moon and Hops and waited on her parents several times. Her dad always had a smile on his face. Katie please know that we are here for you if we can do anything to ease your pain. Melissa Walchle and Family

“ Jo Ann and Family, we were saddened to read about Tim's passing. Please accept our sincere sympathy. We recall all the great times we had together at neighborhood picnics, playing cards and games, and that our daughters were nearly inseparable while growing up on Pitts Terrace. We regret that we lost touch with you after you moved away.

“ Words cannot express the grief i'm feeling right now. You were not only my father but my best friend. Don't worry dad we will take care of mom, I truly think that's why you stayed with us so long, you were afraid to leave her. Now you can rest. As I type this with tears rolling down my face I want you too know that, "When I close my eyes I know you are only a thought away." Rest in Peace my father! You will never be far from my heart.
