Having worked with Janie, I remember her humor and her kindness. In this difficult time, today and always, may loving memories bring you peace, comfort and strength. “ *As cousins, Janie and I grew up together, often at our grandparents home in TN. Other times when our families visited between Chicago and KY. We were blessed to reconnect over the past few years. I will remember her every year on her birthday since that is also my grandson’s birthday. Sending Jerry, Tiffany, and Doug, along with their families, our love and deepest sympathy. May you feel God’s love and comfort during this time of healing.*
