TOM & TERRY STONE - August 26, 2013 at 07:12 AM

“ *My heartfelt condolences go out to everyone else in my family, because I know if my heart just broke, so did yours. Grandma Jane was so special, just a few words here won't even make a dent into what kind of amazing lady she was. I will miss her advice, I will miss her smile, I will just miss everything. She helped me so much in life and was always, always there for me. I will miss you so much, Grandma.*
