“ *Dear family, I am so sorry for your loss. She was a fine lady who made so many girls and women look fabulous through her super talent as a hair stylist. I have many pictures of me during the 80s and 90s where one can see her remarkable skill! Even with the fads —perms and shags! Visits to her shop were always fun as we caught up on each other’s lives. I ran into her at J.C. Penney’s within the past year where she gave me good advice about a gift I was seeking for my daughter—I will treasure that memory. My deepest sympathy to you all. May the good memories of the many lives she touched bring you much comfort. Angie Scott*
